

Are You Managing Your Knowledge Effectively?

Are you managing your knowledge effectively?

	Strongly Disagree	Disagree	Neither	Agree	Strongly Agree
Knowledge Sharing					
We have mechanisms in place that allow people to share concerns, ideas, insights and suggestions					
We typically ask the right people to provide input and share their expertise					
We reward and recognise people who share their knowledge with others					
Our content experts can effectively communicate their expertise so others understand it					
Knowledge Accessibility					
Job related information has been organised so that it is useful and meaningful to employees					
Appropriate knowledge sources (eg guides, databases, support tools, mentors) are readily accessible					
People know where to go to get the information and knowledge they need.					
Knowledge Assimilation					
We encourage and recognise employees for learning and acquiring new knowledge					
Our current employees have the skills and experience they need to absorb new knowledge successfully.					
Knowledge Application					
Our employees have ample opportunities to apply new knowledge					
We recognise and reward people for using new ideas and knowledge					
We have the right people in place to apply knowledge effectively					

How to use your findings:

Any statements above that are marked as "strongly disagree", "disagree" and "neither" need work on.

Think about what you can do as a company to bridge the gap.

(Tannenbaum and Alliger form)

MTD, the management training specialists, has been working with a **wide variety of clients** (both large and small) in the UK and internationally since 2001.

Since that time we have delivered training in over **23 different countries** to over **2,500** different organisations and have helped in excess of **50,000** staff.

Our head offices are based in the Midlands where we have our very own training centre, including a multi-media suite that enables us to provide a full range of blended learning solutions including video, podcasts, e-learning and online support solutions.

We specialise in providing:

- In-house, **tailor made** management training courses (1-5 days duration)
- **Open courses** (Delivered throughout the UK at various locations)
- Management & leadership development **programmes** (From 5 days to 2 years)
- **Blended** learning solutions (online and offline)
- Corporate and executive **coaching** (With senior or middle managers)

Our team of **highly skilled and experienced trainers** and consultants have all had distinguished careers in senior management roles and bring with them a wealth of practical experience to each course. At MTD Training we will design and deliver a solution that **suits your specific needs** addressing the issues and requirements from your training brief that best fits your culture, learning style and ways of working.

Our Key Unique Selling Point

*“Bespoke, practical and quality training delivered by a trainer experienced in your industry is a “given”. Where we really make a difference is how we **help your managers to embed and implement the learning** after the course. We offer industry leading post course support to make this happen so you get a real, tangible return on your investment”*
